Do you still need a 2025 calendar? Stop at the front desk and pick up a Bethany calendar!

WHAT DO YOU THINK?
Of the new layout?

You all have asked what kind of dog Lilly is... So we came up with a competition for you! Shannon has sent in DNA to find out the exact breed that Lilly is and the results will be in the week of the 20th. The Resident that guesses the closest to her breed(s), will win a snack basket made up by Shannon. Here's how it works! One guess per resident! You may list multiple breed(s). There will be a bucket and some slips of paper located in the Bar! You can enter at anytime from now until the 23rd. One entry per resident 1st, 2nd, & 3rd prize will be announced at bingo on January 24th.

JANUARY

From the Desk of:

Director of Life Enrichment

We have all heard the term-New Year, New Me. How about-New Year, New Look! I thought this would be the perfect time to change things up for the newsletter. This issue took me a little longer than usual as I was starting from scratch, (sorry that it took longer) but, I am happy with the end results.

2024 was a year to remember and I expect nothing less for 2025. The Life Enrichment Department is working hard at providing a variety of activities across our campus and in the community. January is always a difficult month. We just ended with a month full of festivities and then there seems to be a let down. However, with the theme of Antarctic Adventure our Life Enrichment Team has set forth some awesome activities that will surely keep you warm. We are celebrating the "King" himself, going fishing & having a carnival.

I look forward to this next year and the great things that we have planned for you! As always, if you have a suggestion please let us know!

Stay Warm-
Casey Brown-CSW
Director of Life Enrichment

Love Through the Decades

Christmas Fashion Show

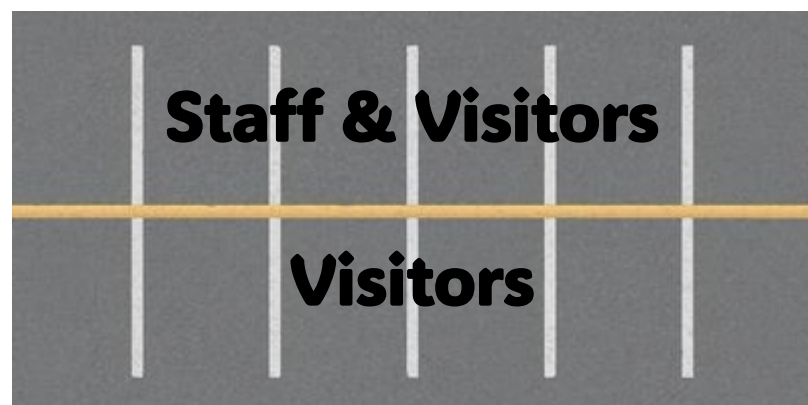

Residents, Staff, Volunteers & their pets took to the stage for our first Christmas Fashion Show. Everyone had a lot of laughs and a great time!

A HUGE Thank You to Howard for your donation of new Bingo cards!

Some Angels did some caroling for us before Christmas!

Parking can be confusing at Bethany. In front of the 3 story building, the parking spots by the building are for handicap individuals. The first row on the left as you drive in is for visitors and the second row is for Staff & Visitors.

We continue to inform our staff of this as there is additional parking in the back for all staff. Please help us remind them & make it safe for our visitors.

For the '24 - '25 School Year we have partnered with the Waupaca School District which we are very excited for!

The first Friday of every month the 2&3rd Grade Class from the Chain Exploration Center is joining our residents for a project & socialization.

We have also visited the Waupaca Middle School to watch some of their sporting events, went to the 4th grade Christmas Concert and are working with the Middle School on a project that will incorporate the children interviewing our residents about their lives.

Our New friends from CEC, sang and made ornaments with us.

Watching our 4th grade friends Christmas Concert & then sharing cookies & stories afterwards.

Dropping Pizza's off for the staff at WMS for their 2nd place win of Light Up Bethany.
